"GUIDANCE FOR ENGINEERS"

MUKOM AKONG T.
AFRINIC LTD

@PERFEXCELLENT
@AFRINICTRAINING

Hi geek! what's
what's this IPv6 thing
I keep hearing of?
What should be our
approach?

There's no
IPv4, Isn't
it obvious
that IPv6
is the only
choice?

"Obvious is a matter of perspective"

**You are the CEO of a 'world-class' organisation
running 30-year old technology?!**

Understand the strategic view

How do we make money?

Business model

How do we sustain competitive advantage?

Strategic Plan

What do we want to do this year?

Annual Budget
